Proposed Kaikōura Marine Strategy: Sustaining Our Sea 2011
Te Korowai o Te Tai o Marokura
SUBMISSIONS SUMMARY AND
DECISIONS BY SECTION OF PROPOSED STRATEGY

Thank you for making a submission on the proposed Kaikōura Marine Strategy: ***Sustaining Our Sea 2011*** and for your patience in awaiting a response.

Please find attached a summary of submissions and a document setting out the Guardians decisions in a table that matches the sections of the proposed strategy document. This has been a long process for Te Korowai – discussing in detail every idea and point made, understanding the comments made in each of the submissions, and making and documenting all of the decisions.

Te Korowai would like to thank you for providing diverse, interesting, useful and, at times, challenging comments. We anticipate that the final Strategy will be a much better document as a consequence of your input. The final Strategy will be launched in October.

Thank you for your contribution to this process.

Yours sincerely

Larnce Wichman
Chair
