2020 NEW ZEALAND SPORT FISHING COUNCIL AGM

I would like to take this opportunity to invite you all to attend the 2020 NZ Sport Fishing Council AGM at the Bay of Islands Swordfish Club in Paihia from 18th September to 19th September 2020.

As the second oldest game fishing club in the world, we have a proud history which goes back to the beginning of game fishing in New Zealand and features some of the world's great identities of our sport. The Club was one of the five founding clubs of the New Zealand Big Game Fishing Council in 1957, and was a leader in seeing that Marlin were classified as a non-commercial species. We are also very aware of the many current issues facing our sport and feel that successful conferences are a must to gather support for the Councils initiatives going forward.

Whilst it is planned to hold the conference in our Paihia clubhouse we would also like to include our historic Russell clubhouse in the proceedings so we are planning a night in Russell but this will depend on numbers. We are extremely proud of this historic facility that houses a large amount of game fishing memorabilia and is rated by many international anglers as one of the great game fishing clubhouses of the world. We have also arranged a partner's program which highlights some of the Bay of Islands best attractions

We are looking to make your time with us both memorable and rewarding and we hope that the 2020 AGM will be a great success and lead to an even stronger New Zealand Sport Fishing Council.
