TO: The Registrar
Environment Court
Auckland

AND TO: Grant Knuckey (the **Appellant**)

1. The New Zealand Sport Fishing Council Incorporated (**NZSFC**) wishes to be a party pursuant to section 274 of the RMA to the following proceedings:

Grant Knuckey v Taranaki Regional Council (ENV-2019-AKL-000306)

Nature of interest

2. NZSFC is a person who has an interest in the proceedings which is greater than the interest that the general public has because:
 - a. NZSFC a representative body for recreational fishing interests in New Zealand. NZSFC has 55 affiliated clubs with 36,200 members nationwide.
 - b. NZFSC takes an active role in fisheries management and research. NZSFC has made extensive submissions to MPI and Mfish concerning fisheries management and policy.
 - c. The issues raised in the proceeding affect the interests of recreational fishing in Taranaki and engage with issues concerning fisheries management and policy.
3. NZSFC is not a trade competitor for the purposes of section 308C of the RMA.

Extent of Interest

4. NZSFC is interested in the parts of the proceeding that seek to provisions which regulate fishing activities.

Relief Sought

5. NZSFC partially opposes the relief sought in the Appeal because proposed controls on low impact fishing methods:
 - a. are inconsistent with Part 2 of the RMA;

- b. do not enable social, economic and cultural wellbeing;
 - c. are not necessary or appropriate to maintain and enhance indigenous biodiversity, including in terms of section 32 of the RMA; and
 - d. are of a nature and scale that amounts to fisheries management under the Fisheries Act 1996, and as such, are *ultra vires* the RMA.
6. NZSFC seeks that the relief sought in the Appeal which would regulate low impact fishing methods be declined.
7. NZSFC partially supports the relief sought because, to the extent that they are *intra vires* the RMA, the proposed controls on high impact fishing methods:
- a. are consistent with Part 2 of the RMA;
 - b. enable social, economic and cultural wellbeing;
 - c. are appropriate to maintain and enhance indigenous biodiversity in terms of section 32 of the RMA.
8. NZSFC seeks that the relief sought in the Appeal which would regulate high impact fishing methods be upheld.

Mediation

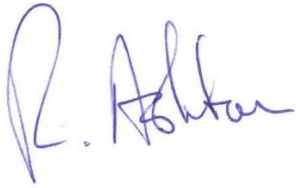

9. NZSFC agrees to participate in mediation or other dispute resolution of the proceedings.

Service

10. A copy of this notice has been served on the Respondent and Appellant.
