The Maraetai Beach Boat Club is pleased to be hosting the
New Zealand Sport Fishing Council Annual General Meeting
proudly supported by Asahi, PIC Marine Insurance and Office Product depot
Friday 17- Saturday 18 September 2021.

Our Club is situated on the Eastern Coastline of Auckland and is seen by many as the fisherman's prime gateway to the Hauraki Gulf. We are a relatively new addition to the NZSFC network and have only just recently had our Game Gantry added to our landscape. This club has always been a family orientated environment. It could be sailing, fishing, or an over-night trip in your boat over at Waiheke Island, or out in the wider Hauraki Gulf. We relish everyone being involved 😊

One of our many aims is to increase the awareness of just what the NZSFC is and what it means to our membership to be part of this team. This was the larger driver to invite you to come to Maraetai ("Our place by the Sea") where, by your presence, our members can learn just what we do?

Accommodation Recommendations:

We are a wee bit out on a limb here in Maraetai;
Nonetheless we do have some great options for you to consider:

Air BnB: Most of the Air Bn'B homes in Maraetai are an easy stroll to the Maraetai Beach Boat Club. Beachlands is a five minute trip in your car. There are approximately 50-60 beds available nearby and can be booked on-line by visiting either of the following links:

- [Beachlands Holiday Rentals & Homes - Auckland, New Zealand | Airbnb](#)

Rydges Formosa: Formosa is rapidly developing as one of the best internationally recognised Golf Resorts anywhere.

Hotel class villas will make your stay very comfortable.

(We will have a shuttle service available to get you from Formosa to the Club Rooms and back)

The lovely team at Formosa have put together a wonderful deal (as follows);

***“Superior King villa for 1 adult including breakfast - \$205.00 per room per night.
Superior King or Twin villa for 2 adults in breakfast \$229.00 per room per night.
Deluxe King villa for 1 adult including breakfast - \$255.00 per room per night.
King or Twin villa for 2 adults in breakfast \$279.00 per room per night.***

We do only have 50 villas on site so the rooms would be subject to availability.”

Camp on Our Carpark: Bring your Motor home or Caravan and park up on our Club Grounds.

Maybe take advantage of some of those super deals that your local rental outfits are offering, and make a real road trip out of the occasion?

We will supply a daisy-chain power supply and there are waste facilities right outside the club gates.

Once you arrive and have settled in – please enjoy the waterfront location and the easy stroll into the Club for refreshments and meals, or along the beach front to enjoy the local cafes.
