

DAY 6 ROUND-UP: 2025 NZSFC NATIONALS SUPPORTED BY PELAGIC NZ

Kia ora, anglers!

It's almost time for the **lady to sing her final aria**—just **two days left** in the **NZSFC Nationals 2025**. The **penultimate Friday** rolls into the **last hoorah on Saturday**, and with some sections **still wide open**, it's time to **go big or go home**.

Still missing from the **weighed** section:

- **Striped Marlin**
- **Blue/Black Marlin**
- **Broadbill** (*until today... stop the press!*)
- **Kingfish** (*wait... scratch that, we have one!*)

Yes, a **Yellowtail Kingfish** has hit the scales, along with our **first weighed Broadbill!**

FINAL TWO DAYS – THROW EVERYTHING AT IT!

The **home stretch** is here. It's time to:

- **Try something different—go radical, old school, or totally off the wall.**
- **Leave anchorage, pay homage to Neptune, chuck a few coins into Davy Jones' Locker.**
- **DON'T whistle, NO bananas onboard, and maybe wear a straw hat for luck.**

FINAL REMINDERS

- **EVERY POINT MATTERS** – Record the **correct time of capture** on weigh sheets before you hit the weigh station.
- **BIG MOVES ARE STILL POSSIBLE** – Every single section is still in play!
- **THE WEATHER IS PRIME** – The **fishing is getting better**, and the **final two days will be explosive.**

So **get out there**, fish smart, and make these last 48 hours **count!**
